Slow Cooker Creamy Chicken Chili

Pastor Kelly is training to be a CASA

Court Appointed Special Advocates (CASAs) are volunteers who help kids in the foster care system. The CASA program in Milwaukee is called Kids Matter, Inc. (kidsmatterinc.org). Milwaukee Co. has almost 2,000 children in foster care, and the social workers are very overwhelmed. CASA volunteers help to coordinate care between judges, schools, foster parents, biological families, social workers, and more. Pastor Kelly is excited to train as a CASA and then serve a volunteer term of about 12 months.

Thanks to the efforts of the dedicated worship committee at Christ the King, Pastor Kelly is able to attend Wednesday night CASA training in March and April, while volunteers at CTK lead mid-week Lent worship services. Around May, she will likely be partnered with a child or a group of siblings who can use her help, and she'll support them for several months. During that time, Pastor Kelly might need to occasionally attend court hearings during regularly scheduled office hours. Many thanks to the flexible leaders at CTK who support this advocacy work in our community to share God's love with some kiddos who really need to feel that love and support.

We are blessed to have a Pastor who is as selfless and dedicated to public welfare and spreading love as Pastor Kelly is.

Lenten Dragnet Dramas

On Wednesday, March 13, we begin our five-episode series of Dragnet CTK, Season II. Last year, our two able detectives heard complaints from people concerning miracles that Jesus performed. As they investigated these various allegations against Jesus, they noticed that the witnesses were transformed after spending time with Jesus, and dropped their complaints.

Now, after Jesus' death, a whole new issue surfaces. His tomb has been found empty! Our detectives talk to Mary Magdalene, Pontius Pilate, the Roman guards, and the disciples in an effort to understand what has happened. Is there a crime? What will the Dragnet detectives decide? Come and watch some of your favorite CTK characters in action!

Don't forget to sign up for the midweek soup and sandwich suppers! Supper is served at 6pm, followed by the worship at 7pm and highly anticipated Lenten drama. Thanks to all the folks who pitch in to make this a weekly event.

Prime Horizon & CTK

Christ the King is proud to host Prime Horizon Adult Day Services in our building! Monday through Friday, from 8:30am-4pm, dedicated staff serve some pretty amazing adults with disabilities and seniors who need extra care. Prime Horizon is an amazing local business which not only manages the Day Center at CTK, but also provides supportive home care and supportive living apartments in our community.

Bonnie Probelski is the Christ the King/ Prime Horizon liaison. Please take time to talk with her about this wonderful ministry! If you ever have questions, comments, or concerns about Prime Horizon, or the parts of our building which are used by them, please speak directly to Bonnie.

If you come to CTK during a weekday, you'll see either Michele or Kimberly leading the dedicated staff of Prime Horizon and serving their clients with excellence. Michele Biddle is the Day Services Coordinator and Kimberly Borgenhagen is the Lead Coordinator for Prime Horizon at Christ the King. Please feel free to introduce yourself, say hello, or give a thank you to either Michele or Kimberly if you are in the building while Prime Horizon is serving clients.

Please remember that both CTK and PH work hard to share the kitchen, restrooms, and fellowship hall. Scheduling special events is easy to manage by contacting Rachel Moore, our CTK office administrator, at office@christkingport.org or calling the church office at 262-284-5411. Thank you!
