

Christ the King Lutheran Church & Living Hope Lutheran Church

Minutes - Joint Council Meeting

Meeting date: Wednesday, May 5, 2021 7:00 p.m.

Opening Prayer: Pastor Clare

Old Business

1. Pastor's Report: Pastor Clare accepted a call at Dr. Martin Luther Lutheran Church in Oconomowoc. Her last Sunday with us will be May 23rd at Living Hope.
2. Joint MET Report: Paul will be sending a copy out with corrections. MET form has been edited, not submitted yet. Joint Council members have until Friday to get back to Paul with corrects, as it will be submitted to Synod on Friday.
3. Children's Worship - 4 kids last Sunday. Chris Lear is working on contacting families & getting kids in for Sunday school. There are only 3 more Sundays left for Sunday School & then taking a break for the summer.
4. Mutual Ministry Team: Living Hope - Tera Rodgers & Jerry Baganz CTK - Mary Stevens & Jan Neally. Tera will make arrangements to get the team to meet with Pastor Kristin
5. COVID-19 Updates - Services are working out well with the precautions we have. We are still following Synod recommendations to still wear masks indoors.
6. Sharing Volunteers - LH: Chris & Shannon went through a list of LH members and are contacting people who previously volunteered to find out who is attending & who can volunteer to set up a volunteer list. Mark Dybdahl has been contacting CTK people to volunteer. Fred has set up an online sign up and distributed forms. He will be working with Shannon to get a combined list.
7. Paving Parking Lots: Not able to schedule for 2021 as companies are all booked up. Maybe in 2022. Port Washington has a ban on coal-based products. We need to have a plan by July if we want to be on next year's schedule. Still hoping to get a deal for both lots (LH & CTK).

New Business

1. Worship plan starting May 30: Shannon is looking to find out what the plan is. Paul reached out to Pastor Kristin to find out where we are at with getting another bridge pastor; have not heard back. Pastor Groth is available & willing to help out if needed as a supply pastor for both churches.
2. Videos from Synod Assembly worth incorporating into services; waiting to find out when they are available.

Closing Prayer: Pastor Clare
