

August Events

Sunday, August 18th from 10:00-1:00 - Worship & Fall Kickoff

It's hard to believe how quickly summer is coming to an end!

Join Lighthouse at Upper Lake Park in Port

Washington for an outdoor community worship service at 10:00 am in the park shelter (please bring a lawn chair). This special service will

feature a trip presentation from those youth who participated in the mission trip to Madison in July.

Following worship, we'll serve up a delicious lunch, play some games, share about all the

exciting events we have planned for a new school year, and just enjoy some fellowship time together. Youth, families, and congregation members are all invited and welcome to join us! Come when you can, leave when you have to.

Please note, in the event of inclement weather, the worship and kickoff celebration will be moved to Christ the King Lutheran Church (420 W. Whitefish Rd. in Port Washington).

Lighthouse events are open to all students in grades 5-12

Have questions about Lighthouse or want to get involved?
