### We Have a Date!

Our move to the 1777 W. Grand Avenue location on the west side of Port Washington has been scheduled. Our first day of operation will be October 25th. A lot has to happen before then, and schedules and activities are being worked out.

**On Monday, October 13th**, the clothing, gift area, and school supplies will be moved. **On October 14th, 18th, and 21st**, the clothing and gift areas at the current pantry will be closed. This is to enable those areas to get organized and ready for the new pantry opening. Clients will be notified of this.

Birthday gifts will still be distributed without inter-

ruption.

**On Wednesday, October 22nd**, the pantry move commences. A moving company will transport all of the food and appliances. Refrigeration, freezers, tables, and other items will be put in place, and organization of food and perishables will begin.

We are planning to coordinate two staff orientation and training sessions. Most jobs will stay the same, but we will be adding client shopping assistants. Clients will also need orientation to the new space.

While all of this is happening, we will still need to do our usual food pickups and shopping, so needless to say a lot of coordination will need to happen.

There is much to look forward to when we move: A brighter, safer, and more spacious place to work, no stairs, beautiful client shopping areas, and more efficiency with food handling.

We're glad you're on this journey with us. We couldn't be successful without you!

See the bulletin board for more scheduling info.

### Feeding America Update

One of our major food sources for the pantry is Feeding America of Eastern Wisconsin. We order food and other products through them on a weekly basis, some at no cost, and some at a reduced cost.

In order to maintain our relationship with them, we must comply with certain requirements for food storage and safety. We were recently in-

spected for compliance for those requirements and are delighted to say we passed!

There were two recommendations made which included posting a sign at the entrance for clients, saying that by using the pantry they are indicating need, and that we regularly monitor and record tempera-

tures in our freezers and refrigerators. You'll notice the provided sign has been posted, and we are establishing a plan to monitor temperatures.

We have also requested to be included in their Meal-Connect program, which matches food donors and agencies. This has increased the amount of food we pick up at Costco,

because we must now take everything offered by them. We may also be matched with other corporate food donors that become available.

## National Night Out

**Tuesday, August 5th**, is National Night Out. This annual event is hosted by the Port Washington Police Department this year, and takes place on Franklin Street in downtown Port Washington. The hours are 5 p.m. until 9 p.m., so there will be plenty of time after the pantry closes to partake in the festivities if you wish. Our tent will be staffed in 2 shifts by board members Sandra Pessaro, Pat Curtiss, Jim Langford, and Steve Hansen. Ozaukee Food Alliance and Family Sharing will have tents next to ours, so please stop by and say hello to everyone! We're looking forward to this collaboration and meeting members of the community, while offering appreciation to law enforcement and other first responders and agencies in our Ozaukee County community. A paper products drive is being held for all of the pantries during this event, and a donation box will also be set up. Hope to see you there!
