### Moving News to Know

The final touches are being wrapped up for our sprinkler system, the last construction item before gaining an occupancy permit and moving in!

Much still needs to be done with regard to cleaning the building, setting up racks and other equipment, and finalizing roles, processes and policies, but we can't wait until **October 25th**, our first day of operation at the new site!

Lorraine Halls, our volunteer coordinator has been surveying volunteers, and we're delighted to report that with very few exceptions, most folks intend to make the move with us and remain in their same roles.

#### The following are roles that will be unchanged:

- Registration
- Food Manager
- Donation Pickup
- Inventory Manager
- Bakery, Produce, & Protein Attendants
- Checkout
- Delivery Coordinator

- Delivery Drivers
- Gift Room Supervisor
- Gift Room Attendant
- Translator
- Barrel Manager
- Clothing Attendant
- Portal Coordinator

#### The following roles are still needed, but will transition to new processes:

- Donation receiving, sorting, marking and stocking
- Menu Planning
- Monthly Items Attendant
- Outside Elevator (now client management & safety/security)
- Cardboard Recycling

#### The following new roles will be added:

- Shopping Manager
- Shopper Assistance & Support
- Building maintenance

If you have questions regarding any of these roles, or any that may have been missed, please see Steve or Marcia.

If anyone wishes to take on a different role, please contact Lorraine Halls.

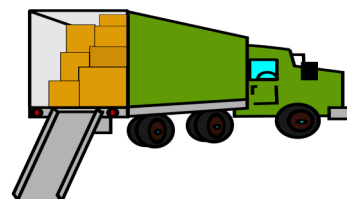

We are planning some orientation sessions in October to get folks acclimated to the new surroundings, like where volunteers will park, where they will store personal belongings, where their station is, and answer any other questions volunteers may have.

We will also be distributing information to clients in the latter half of September to let them know about the move and what to expect. Maps to the new location will be provided, and delivery clients will be contacted to see if they may want to become 'in-person' shoppers now that there won't be any steps to negotiate.

We appreciate everyone's flexibility as we undertake this major transition!

## A Heartfelt Donation

The Ozaukee Impact Awards luncheon was held on Wednesday, August 20th at the Ozaukee Non-Profit Center in Grafton. This event recognizes organizations and individuals who have made a positive impact in our community.

Mary Karnitz, Vice-President and Branch Manager of the Port Washington State Bank, Grafton, was presented with the Volunteer of the Year award. Awardees are granted \$200 to donate to the non-profit of their choice. Mary chose our food pantry as the recipient of this monetary award. Mary noted that it was volunteering with her mother at the pantry years ago that initially flueenced the spirit of volunteering in her. Mary also has family members who currently help at our pantry!

Thank you, Mary, for thinking of us and for all you do for our community!
